HINTS FOR LANGUAGE LESSONS. In many schools where no text book on Grammar is used, teachers often find it difficult to vary the exercises sufficiently to keep up the interest of their classes; obtaining, at the same time, the thorough drill necessary in order to accuracy in the use of words, and the construction of sentences Perhaps a few suggestions from one who has made practical experiments of theories in the school-room, may prove useful to those whose efficiency in teaching that branch, is hampered by want of experience.

Many of the following suggestions may be familiar to the reader, yet if there be one or two that are new, the stock in trade" will be greater by

Recoilections of the pleasant days Vice President | tempts me to tell others how a few bright hours may be secured every week, even from those troublesome
